## **Play and Reflection in Donald Winnicott's Writings (The Donald Winnicott Memorial Lecture Series)**

Andre Green

The third book in the Winnicott Clinic Lecture Series contains a lecture from Professor Andre Green on Winnicott's theory on play. He discusses Winnicott's view on the importance of play and then moves on to presenting his own, somewhat contradictory, view on it. Professor Green provides an innovative and provocative perspective on the subject, inviting people to think independently rather than accepting theories already laid out for them.
