### **Second April** Edna St Vincent Millay

Throughout much of her career, Pulitzer Prize-winner Edna St. Vincent Millay was one of the most successful and respected poets in America., Millay was one of the most skillful writers of sonnets in the twentieth century, and she was able to combine modernist attitudes with traditional forms creating a unique American poetry. But Millay's popularity as a poet had at least as much to do with her person: she was known for her riveting readings and performances, her progressive political stances, frank portrayal of both hetero and homosexuality, and, above all, her embodiment and description of new kinds of female experience and expression. This edition also includes "The Ballad of the Harp-Weaver" - the poem which won the Pulitzer Prize for Poetry in 1923.
